

The Gift People Really Need: *Revolution* Newspaper

In this holiday season many people are in agony about the direction the world is headed in. They yearn for a better world and desire to make a real difference. *Revolution* newspaper is the gift they need.

Revolution exposes what's going on, reveals why, and points to a revolutionary solution in the interests of the vast majority of humanity. Another world IS possible. *Revolution* dares to imagine that world and shows how to get there.
