Rev. Earl Kooperkamp, Pastor, *St. Mary's Church, Harlem*

This is a film of an historic talk delivered in 2003 in the United States by Bob Avakian, Chairman of the Revolutionary Communist Party, USA. A wide-ranging revolutionary journey, it breaks down the very nature of the society we live in and how humanity has come to a time where a radically different society is possible. Full of heart and soul, humor and seriousness, it will challenge you and set your heart and mind to flight.
