

Once More, Lying, Murdering Pigs Run Amok

What Time Is It? Time and Past Time to Get Organized for an ACTUAL Revolution

Tulsa... Charlotte... Columbus... How long?

People have tried all the “solutions” this system says work: a Black president. Campaigning for candidates. More police training. The “Department of Justice.” White House conferences. Body cameras. Lawsuits. Community policing.

None have stopped police murder after murder after murder. They won't work. They can't work.
Because police murder is built into this system.

If you didn't believe that when you saw it in Ferguson and Staten Island, the system has showed you again and again and again. When they murdered **Freddie Gray** in Baltimore...**Alton Sterling** in Baton Rouge...**Philando Castile** in Minneapolis-St. Paul...and now **Tyre King, Terence Crutcher, Keith Lamont Scott**, and countless others all over this goddamn country.

What do we do?

*It is very important that people rise up and refuse to accept the continual murder of people, particularly Black people as well as Latinos, by police—this, and the other outrages and atrocities continually perpetrated by this system..., cannot go down without people fighting back and rocking back the powers-that-be. But this must be built toward revolution—an actual revolution that overthrows this system at the soonest possible time—because **there is no solution to these outrages under this system**, and as long as we live under this system, this will go on...and on. **There is a way that we can make a real revolution**—and bring into being a radically different and better society: **we have the strategy, program, and leadership for this revolution**, in the work of BA and the Party he leads, the Revolutionary Communist Party..*
