## Bob Avakian on the Elections

**Basics 1:3**

The essence of what exists in the U.S. is not democracy but capitalism-imperialism and political structures to enforce that capitalism-imperialism. What the U.S. spreads around the world is not democracy, but imperialism and political structures to enforce that imperialism.

**Basics 1:26**

As I have said a number of times: These reactionaries should not even be allowed to use “conservative” to describe themselves. We should say, “Conservative, my ass, these people are Nazis.”

**Basics 3:12**

If you try to make the Democrats be what they are not and never will be, you will end up being more like what the Democrats actually *are*.

**“Let’s get down to basics: *We need a revolution. Anything else, in the final analysis, is bullshit.*”**

**Basics 3:1**

There *IS* an alternative to the electoral madness and to the criminal system it reflects and defends. Bob Avakian, BA, the leader of the revolution, has brought forward the science and strategy for an actual revolution, and the vision and plan for a society on the road to the emancipation of all humanity. This is the New Communism.

In the talk BA gave this past summer, *Why We Need An Actual Revolution And How We Can Really Make Revolution*, BA says that now is the time to organize thousands into the revolution while influencing millions of people, to prepare for the time when a revolution could really be made. To do this, a national tour has begun:

**“You Think You’re Woke... You’re Sleepwalking Through A Nightmare—  
This System CANNOT Be Reformed, It Must Be Overthrown!”**

**The Get Organized for an ACTUAL Revolution Tour**

**Be a Part of It:** To follow the tour, or to invite it to your city, town or school, and/or to support and join it, go to [www.revcom.us](http://www.revcom.us), and follow @tuneintorevcom.

**“...we have two choices: either, live with all this—and condemn future generations to the same, or worse, if they have a future at all— *or*, make revolution!”**
