**There is a way out of this madness ... An Actual Revolution  
You have a choice to make: either live with this, and the  
oppression will go on and on... or, MAKE REVOLUTION**

The National Get Organized for an ACTUAL Revolution Tour is travelling the country over the next year to involve you and thousands of people like you in this movement for an actual revolution. We are working to develop an organized and growing force, of thousands now, so that we can have an increasing impact on the whole country—with the whole world in mind, preparing for the time when we really could make a real revolution.

Join us Saturday, June 1<sup>st</sup> from 3pm-5pm to hear directly from Andy Zee about the tour: why we need it, a vision of a radically different world, what we have going for us in the leadership of Bob Avakian and the science of revolution, lessons we are learning, and how you and thousands of people like yourself can become part of solving the biggest problem facing humanity--- making revolution at the soonest possible time. Bring your ideas & aspirations, questions, skills, & donations.

Andy Zee is the spokesperson for Revolution Books, a co-initiator of Refuse Fascism, and an advocate for the new communism and the leadership of Bob Avakian.
